Solon Nursing Care Center was built in 1973 by the community and we pride ourselves on continuing to be a community owned retirement campus managed by a volunteer board of directors.

We offer independent condos, assisted living, skilled nursing services, memory and long term care.

Please consider removing any unnecessary clothing items from your loved one's closet with the season change.

SRV Volunteers

SRV is always looking for caring and energetic volunteers to help improve the lives of our tenants. If you are interested in spending time on the campus please stop by and fill out a volunteer application or contact:

Spread the word, VISITORS ARE WELCOME!

We get many people asking about our visitation policy and if we are allowing visitors yet. Please help us to spread the word to your family and friends that we would love to have them come visit!

All visitors must be screened at our covid screening entrance upon arrival.

We always enjoy being a part of the Solon Beef Days Parade each year. We are so fortunate to be a part of such a wonderful community.

We have been taking advantage of the nice days and getting outside for fresh air any chance we get.

Everyone is happy to have BINGO back in full swing!
