From Katie Stemler Activities Director

October 2025

Solon Nursing Care Center was built in 1973 by the community and we pride ourselves on continuing to be a community owned retirement campus managed by a volunteer board of directors.

We offer independent condos, assisted living, skilled nursing services and long term care.

Please consider removing any unnecessary clothing items from your loved one's closet with the season change.

SRV Volunteers

SRV is always looking for caring and energetic

volunteers to help improve the lives of our tenants.

If you are interested in spending time on the campus please stop by and fill out a volunteer application or contact:
